## SAMSARA BED

Multifunction bed with high resistance metal structure painted in white matt ral 9010, with casing wood finishing. PVC upholstery and feet for floor levelling

The information contained in this technical document is correct and accurate to the best of our knowledge, and should therefore be considered reliable. In any case, they cannot imply a guarantee on our part, as certain factors such as the working of the products, are outside our strict control. It is responsibility of the user to verify the suitability of the products for the specific use, as well as the precise and accurate installation in accordance with the guide-lines provided within the instruction manual and according to the current regulation regarding the purpose of the business activity. It should be noted that the packages indicated may vary due to the production efficiency improvement.

This document replaces all previous versions. For further information it is recommended to contact our sales department.
